	C0203_049M1_Fr_NearlyOut		There's the hill to the castle we seek. It's been a long journey, my friend, and I thank you for it.
		1	
	C0203_049M2_Fr_NearlyOut		Henry, you wonderful, wonderful man. There's the hill to the castle. You brought us through.
		2	
	C0203_049M3_Fr_NearlyOut	3	I see the hill of Kassell. We have succeeded in our journey.

	C0203_049M9_Fr_NearlyOut	9	Looks like we've made it through.
50		IRON HENRY	
	C0203_050M0_IH_DangerGreat	0	Take care, Prince Francis. Danger is greatest in sight of safety.

53		FRANCIS	
	C0203_053M0_Fr_NotYourWoods	0	These aren't your woods! You can't --
	C0203_053M1_Fr_NotYourWoods	1	You have no right to bar travellers.
	C0203_053M2_Fr_NotYourWoods	2	You're just a malefactor.
	C0203_053M3_Fr_NotYourWoods	3	Oh, I think we can.
	C0203_053M4_Fr_NotYourWoods	4	How can you be so selfish?
	C0203_053M5_Fr_NotYourWoods	5	Are you saying, we can't, or we're not allowed to? Because, seriously, who are you?
	C0203_053M6_Fr_NotYourWoods	6	Don't look in her eyes, Henry!
	C0203_053M7_Fr_NotYourWoods	7	Are you for real? Like, a wicked witch or something?
	C0203_053M8_Fr_NotYourWoods	8	No one tells me what to do.
	C0203_053M9_Fr_NotYourWoods	9	Uh, looks like we just have.
54		IRON HENRY	
	C0203_054M0_IH_IUseForce	0	Madam, my prince and I will pass. Require me not to use force.
55		WITCH
